### Tip of the Month

Many bass anglers would rather fish turbid water than clear, because they can get closer to fish which are less wary. In large bodies of water, bass anglers with limited time will go a long distance to fish murky water, using lures with good vibration qualities.

### MONSTER PIKE

No pike picture in history blazed through the internet faster or more often than the photos of the pike pictured upper left. Most e-mail chains claimed the fish came from Rainy Lake, Ontario and was caught when it attacked a 36 inch pike that had already been hooked. "The mystery is over" according to NAFC Exec. Dir. Steve Pen-naz. "You can tell from the color and shape of the

### Catch of the Month June 2009

Chris Cizek won Catch of the Month for June with this nice 41" muskie pictured above while fishing in Canada. Looking at the picture, it looks like the muskie also caught Chris. Take a look at his thumb.
