Washed out again

What a year this is turning into, another fishing trip washed out. The Fox River wade was flooded out again. Seems that Friday things looked good but the storms rolled in and flooded the Fox but 4 fools showed for the event, only to head home. John Cox is now offering \$15.00 to the people that catch the largest Crappie, Walleye, Northern and other at our next event. Good luck Fools!

St Anne's Church fishing event

We had a great turn out for this event and the kids had a wonderful time. Jerry Galliger sent out a special thanks to all members that came out to make this even special for the kids. With the group of kids that attended we may end up with new fools in the coming years, there were some aggressive fisherkids at this one. It is always great to teach our passion to another young person and keep the sport alive for the next generation. Thanks again to everyone!
