PrairieFest Kids Fishing

Despite the storms that rolled in on Friday and the high water at Chesterfield Park, we had a great turn out of members and kids this year for PrairieFest and we passed out more business cards than we ever have in the past. Most of the kids caught at least one fish and one even caught a turtle. Check out our website for pictures on this great event! Thanks to Brian Murphy for the donuts and coffee, that was a great treat.

Lake Wisconsin Results

Plenty of species were caught by our members, but getting the legal size was tough all around. Tony Cox caught a nice 17.5 inch small mouth winning the event, John Cox took 2nd place with a nice 24 inch Flathead Catfish. Lets hope the rain lets up and the rivers start to recede so we can get a good day of fishing in the July event on the Fox River.
