Officer Elections

It's that time of year again. The offices up for election are President and Secretary. If you are interested in running for either office or you would like to nominate a member for one of those two positions, please talk to Mike Quill or Carl Fiorini. If you are going to nominate someone, please make sure that they are willing to run. We will be accepting nominations up until the elections which will be held at the December meeting.

Northern Illinois Hunting and Fishing Days

The weather held out for the two days of fun. The Fishin' Fools received good exposure with the DNR's Fishing Simulator and we collected \$40 for the raffle.

August Fish of the Month

Kevin Schramek caught a nice 21 1/2 inch Large-mouth on a local pond in Prairieview Subdivision (Oswego). Check our website for other nice fish.

Lake Jacksonville Event

There were eight Fishin' Fools that ventured down to Jacksonville. For those that have fished the lake before, there was a big surprise waiting. All the weeds were gone and the water level was down about 2 feet. Come to find out, they kill off the weeds every July, but there was a mix up with the chemicals and it killed all the vegetation. In addition, they drained some area lakes and refilled them with water from Lake Jacksonville. Tom Cebula took top honors with 2664 pts., which by the way he took only in one day of fishing. Jim Frohlich took second place with 1668.5 pts. and Mark Corah took third with 1581.6 pts. Maybe next year we will schedule this event much earlier to avoid the weed kill.

Fishing with Dad

There was a good turnout this year with the kids having a good day on the lake. The day started off cold, but once the sun started shining it turn out well. We had many first time fishers out there and to see their faces when the first fish was caught was priceless.
