Tip of the Month

Fish like the locals. Stop in at your local bait shop and ask what is popular to use in a specific location. The Wolf River Event is next. Try using a Wolf River Rig and replace the hook with a fly. Tip it with a minnow and jig while trolling for white bass action.

Catch of the Month July 2009

Tony Cox won Catch of the Month for July with his 34 1/2" Northern Pike (pictured above) caught on Lake St. Joseph in Ontario, Canada on July 8th.
